Subject: OPPOSE AB 957

Email Template:

I am writing you to urge you to vote "No" on AB 957. AB 957 will deny custody to non "gender-affirming" parents in custody disputes. This bill is a deliberate attack on parents who will not cave to the radical gender ideology that is plaguing the minds of children in schools and online. AB 957 states:

"...the health, safety, and welfare of the child includes a parent's affirmation of the child's gender identity."

By including a "parent's affirmation of the child's gender identity" in California's definition of the "health, safety, and welfare" of a child, California law will villainize the parents who hold biblical views on gender. If AB 957 becomes law, in a custody dispute, the CA court will be legally required to deny custody to a parent that does not affirm the new transgender identity.

Denying custody rights to a parent is cruel and hurts both the parent and the child by severing the most important relationship in that child's life - a relationship that is essential to the health and well-being of the child. Dividing a family for the purpose of advancing radical gender-ideology is an incredible overreach of government power and will have devastating effects on families throughout California. Please vote "No" on AB 957.
